

Randolph's No Place for Hate Committee
and
the **Randolph Herald**
sponsor a special project:

Randolph Shows Its Face.

Randolph residents - individuals or families - will be interviewed, photographed and featured in profiles in the **Randolph Herald**. These profiles will be compiled into an exhibit which will debut at Arts in the Park in August. It will then travel to various Randolph town buildings and businesses.

Take this opportunity to share good news in Randolph.

To nominate yourself or another Randolph resident or family,
complete the form below or email: randolphnpfh@gmail.com.
